- **New!** Rugged Construction
- **New!** Retractable/Folding Kickstand

Also Includes:

- Long-life Batteries
- User's Guide
- **1-Year Warranty**

Product Specifications

Product #:

6425

Wheel Size:

1 meter (39-3/8") circumference; 12-9/16" (.319 meter) diameter

Wheel Accuracy:

99.9%

Wheel Composition:

High-impact plastic; TPE rubber tire

Maximum Speed:

8 mph (13 Km/h)

Product Weight:

3 lbs. (1.36 kg)

Length (extended):

45 inches (1143mm) with wheel

Length (contracted):

29 inches (737mm) with wheel

Power:

Four AAA Duracell batteries

Battery Life:

Approx. 400+ hours of actual usage

Auto Shut-off:

8-12 min.

Keypad:

19 keys

Operating Temperature:

14-140 deg. F (-10-60 deg. C)

Display Type:

LCD segment; 7digits (up to 999,999.9), with annunciator-legends

Accuracy:

10-digit internal math accuracy; 99.9% measuring accuracy

Warranty:

[1-Year Limited Warranty](#)
